### CARS:

Guidelines, set out by Steam Rally and the Echuca Car Club committees, will be enforced with a cutoff date imposed whereby the vehicles must be at least 50 years old. This will allow us to have a true vintage rally of 50 years plus vehicles.

Due to space the car section will be only permitted to display 200 vehicles. Confirmation letters must be shown for automatic entry. Please display car stickers on the top right hand side or on your dashboard to assist with prompt entry to the rally grounds.

The age of vehicles will be strictly adhered to:

- Section 6.1 1900-1918 Veteran
- Section 6.2 1919-1930 Vintage
- Section 6.3 1931-1942 Classic Pre War
- Section 6.4 1950's Historic
- Section 6.5 Special Interest (*Conditions apply\**)

(\*This section will have strict guide lines enforced. Please notify your club members so that when they arrive at our event they will not be turned away in disappointment.)

**All special interest exhibits** must be received prior to the event days. A panel will look at each of the special interest entries to see if they warrant admission.

- Accepted exhibitors will receive confirmation letters.
